

Software Requirements Specification

Licensed Consumer Lending Platform - Texas, USA

Hello,

We are Ross Lending Solutions LLC, a state-licensed consumer lending company operating in Texas, USA under OCCC (Office of Consumer Credit Commissioner) Chapter 342-F license. We are looking for a complete loan management system for our operations.

Before we proceed, we need to confirm if your software meets our specific requirements. Please answer YES or NO for each section and provide details.

1. LOAN PRODUCTS WE NEED TO MANAGE

Product	Amount Range	Term	Notes
Quick Personal Loans	\$200 - \$1,500	1-3 months	Fast approval
Installment Loans	\$3,000 - \$12,000	6-48 months	Monthly payments
Tax Refund Advances	\$200 - \$1,800	Until IRS refund	Auto-repayment

- ☐ Can your system configure multiple loan products with different rules?
- ☐ Can we set custom APR (Annual Percentage Rate) per product?
- ☐ Does it calculate amortization schedules automatically?
- ☐ Does it support variable interest rates and fixed rates?

2. LOAN ORIGINATION (Application to Funding)

- ☐ Online loan application form (responsive for mobile + desktop)?
- ☐ Application status pipeline: Applied > Under Review > Approved > Funded > Active > Closed?
- ☐ Digital document collection (ID, pay stubs, proof of income)?
- ☐ E-signature for loan contracts (DocuSign, HelloSign, or built-in)?
- ☐ Automatic loan agreement and promissory note generation?
- ☐ Customizable approval workflow (manual + automatic)?
- ☐ Loan officer assignment and notes system?

3. US CREDIT BUREAU INTEGRATION (CRITICAL)

This is MANDATORY for operating legally in the USA:

- ☐ Pull credit reports from TransUnion, Equifax, or Experian?
- ☐ Soft pull and hard pull options?
- ☐ Automated credit scoring / risk assessment?
- ☐ Report loan payment history to US credit bureaus (positive and negative)?
- ☐ Identity verification (KYC) - SSN verification, ID check?
- ☐ Integration with Plaid for bank account and income verification?

WARNING: If your software does NOT integrate with US credit bureaus, please tell us immediately. This is a deal-breaker.

4. US REGULATORY COMPLIANCE (CRITICAL)

We operate under strict Texas and Federal regulations:

- ☐ TILA (Truth in Lending Act) - automatic disclosure generation?
- ☐ ECOA (Equal Credit Opportunity Act) - adverse action notices?
- ☐ FCRA (Fair Credit Reporting Act) compliance?
- ☐ Texas OCCC Chapter 342 - rate caps, fee limits, required disclosures?
- ☐ APR calculation per US federal Regulation Z standards?
- ☐ Automatic generation of loan disclosures, agreements, promissory notes per US law?
- ☐ Complete audit trail (every action logged with timestamp and user)?
- ☐ State regulatory reporting export (quarterly/annual reports for OCCC)?

WARNING: US lending laws are very strict. Wrong disclosures = heavy fines. Does your software handle this?

5. PAYMENT PROCESSING & LOAN SERVICING

- ☐ ACH payment processing (direct debit from US bank accounts)?
- ☐ Integration with US payment processors (Stripe, Dwolla, Plaid, or similar)?
- ☐ Automatic recurring payments (autopay scheduling)?
- ☐ Payment reminders via SMS and email (before due date)?
- ☐ Late fee automatic calculation and application?
- ☐ Grace period configuration (e.g., 10-day grace)?
- ☐ Loan payoff quotes generation on demand?
- ☐ Partial payments, extra payments, early payoff handling?
- ☐ Payment receipt generation (PDF)?
- ☐ Cash payment recording (for in-office payments)?

6. COLLECTIONS & DELINQUENCY

- ☐ Automatic delinquency tracking (30 / 60 / 90 day buckets)?
- ☐ Automated collection workflow (reminder > warning > escalation)?
- ☐ Report delinquent accounts to credit bureaus?
- ☐ Payment arrangement / loan restructuring tools?
- ☐ Collection notes and activity logging?
- ☐ Dashboard showing total delinquent portfolio?

7. BORROWER PORTAL (Customer-Facing)

- ☐ Customer login portal (web + mobile)?
- ☐ View loan balance, payment history, next payment due?
- ☐ Make payments online (ACH, debit card, credit card)?
- ☐ Upload documents securely?
- ☐ Download loan statements and payment receipts?
- ☐ Apply for new loans from portal?
- ☐ BILINGUAL: English + Spanish (MANDATORY - our clients are Hispanic)?

WARNING: Spanish language support is MANDATORY. Our client base is 95% Spanish-speaking.

8. ADMIN DASHBOARD & REPORTING

- ☐ Role-based access: Admin, Loan Officer, Collector, Accountant, Auditor?
- ☐ Real-time dashboard: total portfolio, active loans, delinquency rate, revenue?
- ☐ Custom report builder (by date range, product, status, officer)?
- ☐ Export to Excel and PDF?
- ☐ Daily cash flow report?
- ☐ Accounting integration (QuickBooks, Xero)?
- ☐ Tax document generation (1099-INT for borrowers who paid interest)?

9. TECHNICAL REQUIREMENTS

- ☐ Cloud-hosted (SaaS) or self-hosted option? Which one?
- ☐ API available for integration with our existing website (rosslending.com)?
- ☐ White-label / custom branding - our logo, colors, domain?
- ☐ Mobile app for borrowers (iOS + Android)?
- ☐ Mobile app for admin/loan officers?
- ☐ Data hosted on US servers (required by US law)?
- ☐ SSL/TLS encryption + data encryption at rest?
- ☐ SOC 2 compliance or similar security certification?
- ☐ 99.9% uptime SLA guarantee?
- ☐ Automatic backups + disaster recovery?

10. INTEGRATIONS WE NEED

Service	Purpose	Priority
TransUnion/Equifax/Experian	Credit reports & reporting	CRITICAL
Plaid	Bank & income verification	HIGH
Stripe / Dwolla	ACH payments processing	CRITICAL
Twilio	SMS notifications	HIGH
SendGrid	Email notifications	HIGH
DocuSign / HelloSign	E-signatures	HIGH
QuickBooks	Accounting sync	MEDIUM
Google Maps API	Address verification	LOW

11. PRICING - Please provide breakdown

- ☐ Licensing model: one-time purchase / monthly SaaS fee / per-loan fee?
- ☐ Is source code included?
- ☐ Cost for customization to meet our requirements?
- ☐ Cost for US credit bureau integration setup?
- ☐ Implementation timeline (how many weeks/months)?
- ☐

- Training included? (English or Spanish?)
- ☐ Ongoing support - cost and availability (US time zones)?
- ☐ Updates and maintenance - included or extra cost?
